# A Note from the Artistic Director

Thank You!

Thank you to all our amazing students! You have all worked so hard on your shows and I know how excited you are to share them with your families and friends!

Thank you to all our wonderful families! Your continued support of Showstoppers during this time of transition is appreciated more than you know. Thank you to all our spectacular teachers, staff, crew, and volunteers! Your tireless work to ensure our students have the best experience possible shines through in all the huge smiles we see on stage!

We are so excited for not only our upcoming shows but some new programs at Showstoppers. This July, our Masters and Seniors classes will be taking their first ever trip to New York to take part

in workshops with Broadway professionals and of course see some amazing theatre! Next Spring Break, our Show Choir class will be traveling to Disneyland to perform and take part in workshops with Disney professionals. I know there have been some challenges with once again changing locations half way through the year, but we are thrilled to be set at the Seniors centre for the foreseeable future and, of course, will continue to look for a new permanent home.

Thanks again for being an amazing community, we couldn't do it without you!  
On with the show!

Chad
